Hidden Acres

This coming Friday, we will be heading out for a day of adventure at Hidden Acres near Tavistock. This is always a fun time of learning for our students! The primary students will be participating in outdoor cooking and crafts, while the junior students try their hands (and feet!) at canoeing and low ropes. Both groups will be participating in group games and a nature hike as well. Parents will need to drop their children off directly at the camp at 8:45 AM. Pick up is 2:30 PM. The Hidden Acres staff will direct you to the areas you need to drop off and pick up your children when you arrive. Students should dress for the weather conditions of the day as we will be outside for the entire time. Please send a bagged lunch. We look forward to a great day!!
